Top Story

With depth of purpose, effort and ambitious design the story began, and with a passion for creativity, dreams met with Saudi creative youth and proceeded to establish TopEX in 2003.

With capabilities and flexibility in dealing, it launched and was able to achieve successive successes in the world of events industry from its headquarters in Riyadh and became famous in the regions of the Kingdom and most countries of the world and with the support of partners, services doubled and doubled and expanded under one roof. It became integrated and expanded in managing and organizing events and building an integrated production house to manufacture all events, activities and advertisements as well as all logistics services.
